All of the modifications presented on this site are downloaded from the official WC3M servers. GTA San Andreas Weapon Modules (Part 2). All modifications presented on this site are downloaded from the official WC3M servers. You can download new mods for Grand Theft Auto San Andreas on our website. Download. GTA San Andreas Weapon Mods (Part 2). All mods. A mod for GTA San Andreas that changes the appearance of police cars. In their appearance they become almost indistinguishable from the real police cars. All the mods presented on this site are downloaded from the official servers WC3M. This is not the first such mod and I really like it. Now we have two new police cars: Cadillac Escalade and Chevrolet Camaro. Also included in the assembly: several new maps, new trailers, police radar, new sounds of shots, etc. Now you can use not only regular police cars, but also special vehicles. Also in the assembly there are new trailers and police radar. Download the game What is new in this build? Not only in the game, but also in the mod. - The new mod! - New graphics! - A new level! - What's in the box? - Movable game world. - Unique editor. - Over 90 levels. - More than 100 types of weapons. - More than 70 types of armor. - More than 10 types of accessories. - More than 40 types of melee weapons. - More than 20 kinds of ranged weapons. - Realistic effects. - More than 60 kinds of monsters. - More than 10 types of bosses. - Realistic physics. - Over 30 types of skills. - Over 30 types of monsters. - More than 10 kinds of weapons and accessories. - More than 30 kinds of skills.
